Hockey Helps the Homeless

WHERE Gale Centre, Niagara Falls

WHEN Friday, January 27, 2012

[NewsTalk 610 CKTB](#) is proud to sponsor this year's Hockey Helps the Homeless Charity Hockey tournament at the Gale Centre in Niagara Falls on January 27th. For most of us, becoming a professional hockey player was a dream that we had or knew someone close had, so if you still have the itch to go shoulder to shoulder with some NHL Alumni, here's your chance.

Realize your professional dream by lacing them up with past NHL greats like Gary Leeman, Mark Osborne, Bob McGill, Mark LaForest and Kris King as you help a couple of great causes in the process.

[NewsTalk 610 CKTB](#) will also be on hand lacing them up as one of our own announcers will be keeping their 'head up' for this great cause. All money donate will be directed to help the YWCA Niagara Region, Bethlehem Housing and Support Services and the Raft Resources Association for Teens.

This is a once in a lifetime opportunity for anyone who is a huge hockey fan! For more information, visit www.hockeyhelpsthehomeless.com to sign up to play, or to donate to these great charities that need your help. And check out this video to see what they are truly all about
